Act CCXXII of 2015 on the general rules of electronic administration and trust services (hereinafter referred to as the E-Adm. Act)

Procedural order

Notification of the recording of a lasting power of attorney in the official Register

In the official Register under the e-Administration (hereinafter referred to as the Approved Register) a declaration for obtaining a mandate given by the representative of a person who is the subject to the proceedings, as well as by an injured party or his legal, adult representative in order to submit an application for reduction of financial liability for mitigating circumstances is only valid with the acceptance of the power of attorney and with the recording of the acceptance statement in the Approved Register.

The power of attorney registered in the Approved Register is effective as from the date of the notification to the court or to the authority dealing with the case of infringement in the relevant proceedings. At the same time as the application for reduction of financial liability for mitigating circumstances is filed, the power of attorney registered in the Approved Register shall also be made known to the court or to the authority dealing with the case.

The notification shall be sent to the authority acting in the case.

Attachments can be added to the notification.

Processing the application

The authority acting on the matter will also be in contact with the authorized representative via the electronic administration system regarding the notification of the power of attorney, from the date of notification, A request for a reduction of financial liability for mitigating circumstances based on a power of attorney shall be received by the authority acting in the case.
