Procedural order

Submitting an application

An application for the installation and use of a warning device may be considered on the basis of the place where the activity is carried out or where the applicant's domicile or headquarters and the relevant police headquarters are located in the following types of cases regarding vehicles that:

- regularly accompany a vehicle transporting radioactive material or that exceeds the length or width of a vehicle that is permitted by separate legislation,
- tow damaged vehicles or regularly carry out roadside repair of a broken-down vehicle on the road, as well as
- are used for the authorized transportation of vehicles and for the regular use in the course of applying wheel clamps,
- are used in the supply of money and valuables, performing regular security activities, operated by a financial service organization,
- transport of security documents on a regular basis by the organization carrying out the transport of security documents based on contract as defined in the Government Decree on the security arrangements for the security documents

PDF file extension to be attached to the application

- a copy of the document certifying the act on behalf of an order
- a copy of the document certifying the operation and use of the signal

(The client has the means to certify any data that may not be required, on the basis of the General administrative order, to file a document.)

Processing an application

The relevant authority shall decide on a comprehensive procedure within eight days of receipt of the application if the application is complete and the conditions for authorization are met by the applicant.

If the application or the attachments thereto are incomplete, the authority issues a request for additional information within 8 days of the receipt of the application - indicating an appropriate deadline and warning of the legal consequences. The final decision will be taken after the submission of the additional information.

The electronically authenticated decision shall be issued and then sent by the Police to the customer who applied for it. During the process, no personal appearance is required.
