

## Extract from the order of Gyekenyes Railway Border Crossing-point

1. Gyekenyes Railway Border Crossing-point locates on the common border between Hungary and Republic of Croatia, and ensures the opportunity to cross the border for international passenger and freight trains in 24 hours per day business hours. The requirements of border check on the border crossing-point have been fulfilled by the Hungarian and Croatian police authorities, in the so called one-stop checking system. The border crossing-point locates on the area of responsibility of Somogy County's Police HQ, Nagyatád Police Station.
2. Passengers, who are taking part in the international railway traffic, can cross the border only on the board of international passenger, fast and extra trains. Members of staff of the organizations to be responsible for support of border traffic, as well as responsible for border check, have the extra right to cross the state-border on freight train, engine, trail car, on car-to-repair, and on foot along the railway tracks.
3. Passengers, who are possessing valid documents or the permission of competent authorities and come forward with the will to cross the state border shall be allowed – with the exception of extraordinary cases - to cross the border only on the border crossing-point opened for passengers.
4. The checking of passenger trains, their passengers and crew has to be performed on the border crossing-point, or during the course of the train, or with their mixed use.
5. The check and examination of freight trains, single engines and their crew have to be performed on the border crossing-point only after the switching off and grounding of high-voltage electricity system and signing and receiving of the permission-to-work.
6. The entry and exit of passengers, the crossing of vehicles have been based on the checking and acquiescence of Hungarian and Croatian police authorities in charge of border rules.
7. The order of border crossing-point has to be observed by each one of persons, who is staying or travelling across on that.
8. The document, which contains the order of border crossing-point in details in Hungarian language shall be submitted by the commander in charge of the border crossing-point to the claimant after his/her request.
