

EXCERPT

*from the Decree No. 700/798/2018 on the
Order of the Hercegszántó Vehicular Frontier Station
of the Bácsszentgyörgy Border Police Branch Office*

I. THE ORDER OF THE BORDER TRAFFIC CONTROL

1. The order of receiving and controlling persons and vehicles:

- The border traffic control and crossing for persons and vehicles through the border crossing point – with no different instructions in international contracts or legislation – takes place in the sequence of arrivals to the border crossing point.
- The entering of personal and vehicle traffic to the border crossing point is regulated by road markings, control signals, barriers, or traffic managing / controlling services ordered depending on intensity, respectively.

2. Performing passport control and administration on personal traffic lanes:

- Opening the lanes for traffic is signalled by a red-green lamp system. The lamps are managed by the Police.
- The passengers intending to cross border are obliged to check in for passport control, followed by the necessary custom clearance in accordance with the relating legislation.
- The border crossing point can only be left after the personal checking, as well as goods and vehicle control. When no obstacle to border crossing arose from the side of the Border Police Branch Office and the Border Branch Office, it is to be secured that the vehicle and the passengers should immediately leave the area of the border crossing point.

II. MISCELLANEOUS INSTRUCTIONS

1. Process order relating to persons arriving to the crossing point with no intention to border crossing:

- Only persons with the intention to cross state border, as well as those who have entering right or licences as defined in separate legislation are allowed to enter the border crossing point.
- Entering the area of the border crossing point and staying there with no intention to cross border can be licensed upon request to those, who has licence to perform commercial, financial and other servicing activities on the area of the border crossing point. The application is to be submitted to the Border Police Branch Office being authorised upon the location of performing the activity. Provided the activity relates to the area of more Border Police Branch Offices, the application is to be submitted to the County Police Office, while if relates to the area of more police offices, then to the National Police Office.
- The Police Office will issue licences entitling to entering and stay:
 - being valid for a period of not exceeding 1 year (temporary),
 - being valid for a period of not exceeding 2 years (permanent).The branch office may issue a separate temporary licence for one single entering and stay to the border crossing point upon request and entering to registration, which licence is to be recollected upon leaving the border crossing point. In such case - following to entering it to the police registration - staying at the border crossing point can be allowed upon the inspection of the receiving unit or the Police. Leaving the border crossing point must be announced to the Border Police Branch Office. One single entering and stay for the purpose of custom clearance can be allowed upon the information given to the Police by the Border Branch Office.
- The Police must withdraw the licence, provided the legal relation of commission or employment giving the base for the licence ceased, or the location of the activity has changed. The license may be withdrawn, provided the licensee has breached the prescriptions relating to the Order of the Border Crossing Point or performed injurious activities.
- The person staying at the border crossing point with no intention to border crossing, in the course of performing his duties and activities:
 - is not entitled to ban the official job performance of the Police and the National Tax and Customs Administration,
 - is obliged to observe the customs and currency legislations, as well as the prescriptions on the traffic and move at the border crossing point.
- The (attachable) name-tag issued by the Police is to be worn on the area of the border crossing point continuously and well visibly, and presented together with the identity card upon the call of the Police officers for the purpose of control.

2. It is prohibited at the border crossing point:

- To cross border or talk over it, provided no separate authorisation of the related person exists on it.
- To commit criminal acts sanctioned by the Criminal Code in effect, with special regard to corruption.

3. Smoking at the border crossing point:

In accordance with the Act LXI of 2011 – smoking in the area, buildings, external rooms and clearing cabins of the Hercegszántó Vehicular Frontier Station – with the exception of the properly marked smoking spots in accordance with the legislation defined by the managers of the units settled to the border crossing point – is prohibited!

Hercegszántó, "..." 2018
